THE TRIP

The ALMR Ski Trip has a reputation of being a must attend event, providing the perfect opportunity for networking with like-minded operators and suppliers, and it is repuation which it rightly deserves. Guests will make new friendships, alliances and acquaintances on the slopes during the day and in the bars and restaurants of La Plagne afterwards.

This trip is suitable for skiers and snowboarders of all standards – we can arrange lessons to improve your skiing, or even get you started if this is your first time on the slopes. Almost 750 ALMR members have enjoyed the unique camaraderie that the ski trip offers. The days on the piste create relationships which last a lifetime and business opportunities that pay for the trip time and time again.

THE RESORT

The ALMR Ski Trip is heading to Paradiski for 2018. This huge ski area encompasses Les Arcs and the villages which make up La Plagne – with more than 400km of groomed slopes served by 141 lifts.

Sitting at 2500m the resort of Belle Plagne will be our base and provides a truly ski-in and ski-out experience.

With such a huge ski area the Paradiski will provide a challenge for the most experienced skiers as well as having a wide range of gentle slopes for beginners.

Away from skiing the resort has a 1.5km bobsleigh and luge piste! We will be flying in to Grenoble which reduces transfer time to around 2hours and your trip be managed by the ALMR team to ensure you enjoy our unique networking throughout the four or seven days of your trip.

THE HOTEL

The 4* Hotel Carlina is at the heart of the village of Belle Plagne and, more importantly, on the edge of a piste to ensure the ALMR Ski Trip guests enjoy the maximum ski time.

The hotel offers a full service bar, award winning restaurant, spa facilities, free wifi and a terrace overlooking the slopes of La Plagne.

This year we will be ensuring that one of the meals we enjoy together is a luncheon and then all remaining meals in the evening are included either at the hotel or local restaurants.

In addition the cost quoted includes transfers, lift pass for 4 or 6 days and dinners, wine with dinner plus the support of the ALMR event management team who organise guiding, lessons and ski hire arrangements to ensure you have a seamless and enjoyable trip.

*One dinner is a luncheon
